We provide fully furnished 2-bedroom quality apartments, conveniently situated in a quiet location 2 minutes' level walk from Poole's historic Quay. The bustling Quay, particularly popular with families, is a hive of activity with inns, restaurants and attractions aplenty. If a slower pace is what you're after, simply relax and enjoy stunning views of Poole Harbour. Gaze across to Brownsea Island where red squirrels and wild peacocks roam free.

Quayside Close is walking distance from the main shopping centre with theatres, cinemas, a sport centre and the Dolphin Swimming Pool.

Alternatively, you can take the land train from the Quay to nearby Poole Park, a favourite with families and more elderly visitors who are seeking fun and relaxation.

Boat trips to various destinations can be easily arranged from the Quay, and a wide variety of bus services are also available. Bournemouth, the New Forest and many other local places of interest are within easy reach by car.

*We look forward to seeing you here at Quayside Close Holiday Apartments.*
